Layers allow you to add multiple versions of the same image at different stages of the editing process. So, even if you are working with a complex image, you can divide it into sections and make separate image adjustments for each portion of the image. It is likely that you will use layers for many different types of edits over the course of your photographic editing career. By adding layers, you can separate the adjustments you make to the image and move them around to create the final image. The Layers Panel You can also create a new layer in the Layers Panel and then use the Layer tools to build that layer from scratch or import and edit the contents of that layer using the tools in the Toolbox. Import a new image into Photoshop Import Image Start by loading your new image file into the program. Then move to the Layers Panel and open it to begin making the image adjustments that you want. india Updated: Nov 08, 2019 00:30 IST With the Mahavir Sammelan ending, Hindu organisations have called for to fight back on the lack of security for devotees, especially women, and alleged that there was no action against the participants of an “anti-social” youth movement that vandalised Durga idols at Chitrakoot (UP) during the Congress-led United Progressive Alliance (UPA) rule in 2014, triggering a major outrage. The BJP-led National Democratic Alliance (NDA) government came out with a raft of measures to prevent repeated disturbances at the hill shrine. Chief Minister Yogi Adityanath was among those who demanded strict action against the youths and called for “justice” to the victims. “There are certain things that have been done in the name of justice but at the same time no action is taken against those who are the main culprits. The government must be fair in dispensing justice. The passage of time has not been kind to the Jai Kalyan devotees, who were allegedly attacked with cricket bat. Singh said the controversy should not be termed as a “youth vs youth” dispute, as the main players in the violent episode were not young. “The controversy has no youth but women were attacked and assaulted,” he said. Police officials said they would take strict action against those involved in the vandalism and arson after the Vindhya Mahotsav ended on Monday, with Yogi Adityanath on the dais to address the gathering. “People who created ruckus had links with Samajwadi Party, Congress and others. Our action will be taken in five to seven days,” said D P Singh, superintendent of police, Bahraich. “A new Hindu Samaj (religious fraternity) is being formed in Uttar Pradesh. Our action will be taken and those behind this should be dealt with sternly,” he added. Senior police officials said a judicial inquiry was held into the controversy but the final report was lying with the probe committee, and as per procedure, the police is not supposed to divulge it. “We
