This mod adds on of potentially useful items, tools and weapons Lara will find and use for adventures. Download: Tomb Raider Legend: The Last of Us. The last of us is one of the most critically acclaimed games to be released in 2013. As the director, we were able to sit down with Game Director, Neil Druckmann, to talk about how he developed the story in a new, meaningful way. How does Neil Druckmann tackle a challenging script? Overcome the challenges of spawning the camera in the environment? How can you make The Last of Us different from any other game? Neil explains the potential problems, the creative solutions that helped put the script together and the future of storytelling. Join us as we talk to Neil Druckmann and the crew about The Last of Us and what it took to make an award-winning video game. DON'T FORGET TO SUBSCRIBE TO GAME STORY! Links: Subscribe Website Twitter
