TRY THE DEMO TESTS AND GIVE ADVICE TO A CREATOR! Have the opportunity to try out the game as a volunteer in the proof-of-concept tests. The editors will evaluate your help, and if accepted, you will have the chance to put your thoughts to the test! This may be the perfect opportunity for you to create a character that you wish to continue and give advice to an editor or illustrator regarding your concept, help check the game's balance, or find ways to improve it. > Demos in Europe: 5.5 p.m. PDT / 8 p.m. UTC > Demos in North America: 12.5 p.m. PDT / 3 p.m. UTC * Your prize will be decided by the judging period, so please read carefully the terms of the prize information. The Proof-of-Concept Tests The Proof-of-Concept Tests consist of three elements: the pre-alpha testing of the game, the editing tests, and the design tests. These tests are the stage of conception in which you will try to find the game's final balance and develop new skills and playstyles. PRE-ALPHA TESTS: The first type of tests will be divided into two parts: 1. Tests of gameplay Players will give their feedback to the game's general gameplay. Games of four to seven players will be tested at once, for 8 hours to 12 hours. A) Teamplay Tests Players will play the game together to evaluate the teamplay aspects of the game. This test will be selected randomly from the test results of the previous test. B) Singleplayer Tests Each player will test the game's singleplayer features, including power levelling, difficulty, weapon and armor upgrade, and more, for 8 hours to 12 hours. The results will be used to evaluate whether a specific test will be included in the main tests. The judging of the results will be done by the creators of the game. Design Tests (UX TESTS): These tests consist of two parts: 1. User interface tests Players will test the user interface from the viewpoint of a player using the game. A) Hero Tasks Players will test the tasks of a player character to help other players. B) Player Tasks Players

-Review by Pickman on Facebook: "The Elden Ring is the first fantasy RPG from the freelance artist/game designer, Ochoyocha, whose previous works include Elden Knights 2, a classic fantasy RPG for the PC. THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. Replay the game in an intense, tight, single-player experience without needing a friend to play with. A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. PITCH THERMIONP: "The Elden Ring is a fantasy action RPG for PC. Live the sweeping story of the Lands Between. Rise, tarnished. Tarnish, mastered. Embrace the power of the Elden Ring and create your own path. The story of THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. ● Huge dungeons ● Various situations ● Huge battles ● Powerful weapons ● Powerful magic Pickman has received his high school diploma, but yearns to become a keynesian economist.
