
Diablo 2 Unable To Load Multires.dll

April 5, 2011 - D2MultiRes.txt b and ...failed to load d2multires.dll. exit from d2... I don't know where... And all because at the beginning of December of this year, I installed the game "Need for speed Hot Pursuit 2010". I decided to play this toy, went into the game, and it gives me an error: "D2MultiRes.dll failed to load d2multires.dll. Exiting d2...". And that's it, the game does not start, writes an error. I decided to still install another version of this game, "D2MultiRes.exe". Installed, it worked, only I don't have Russian in
