
Rendering Thread Exception Fatal Error Batman Arkham City !FULL!

June 23, 2015 - Render thread exception: fatal error. Is anyone else getting this message? I've been in the game for a few hours but now I can't even get it in. I wrote a new app that lets me play my favorite game called "Blast Out". It's just a small run and shoot game where the player runs after a certain circle, tries to shoot it and gets points for each ball. It's easy enough, and it's certainly a lot of fun. I've spent over two weeks developing the app,
