Chicago is an especially great place to explore during the day when you can see everything in all its glory. In other words, ListCrawler.com is pretty much your ticket to Chicago escort heaven. With so many city parks, museums, skyscrapers, and other sightseeing-worthy venues all over Chicago, you aren't likely to run out of places to meet up with your Chicago escort! Here are a few ideas on where to hang out while waiting for night to fall. The Art Institute of Chicago is a good choice for outings of a more cultural nature. Located in Grant Park, it is one of the most famous cultural institutions in the city, and is an excellent spot for leisurely browsing with your Chicago escort. More than 300,000 paintings, sculptures, and various other works of art are on display here, and there is even a pretty good restaurant called Terzo Piano. If you would like to have a daytime experience that is a bit off the beaten path, a visit to the gallery with your escort would definitely be worth it. Consider paying a visit to Wrigley Field as well. Located in Wrigleyville, the baseball ground has been the home of the Chicago Cubs for more than a century. Even if you or your escort aren't particularly into baseball, there is a good chance that you can't resist having a good time when there is a game on. In any case, the field is one of the oldest ballparks in the United States, and for that alone, it is well worth a visit on any day of the week. Located in East Garfield Park, Garfield Park Conservatory is one of the conservatories in the US. More than 600 different species of plants can be found here, many of which come from other places around the world. The conservatory is open every day all throughout the year, and it houses some of the most fascinating displays of vegetation you could ever hope to see. Even if you don't think your Chicago escort will enjoy it, the Fern Room and the Desert Room are definitely worth taking the chance for. The Smart Bar at Wrigleyville is party central for most of the adult population of the city, and it is pretty easy to see why. Ground zero for the legendary Chicago dance music scene, the club is still one of the hottest tickets in town. Sundays might seem like an unusual time to have a party, but that is when the celebrated house music night takes place. Called "Queen", it is only one of the other events that take place throughout the week. The East Room at Logan Square is where you want to go if you and your Chicago escort have been kicked out of every other place at closing time. Now staying open until 4 am, the club attracts a good mix of after-hours partyers, pre-game sports fans, and most everyone else it would seem. Some of the legendary local figures have been known to drop by and spin some music, so dropping in at a moment's notice is definitely recommended. Finally, check out the Beauty Bar at River West for some of the most fascinating glamor events this side of New York. The sparkling walls and the kitschy '60s-inspired furniture definitely set a unique atmosphere, although there are various other themed parties that take you back to the present and beyond. If you and your Chicago escort are in the mood for a bit of kitschy fun, you should definitely drop in for a visit.
