# Angel Sword 3D RPG: A Review

If you are looking for an epic full scale multiplayer 3D RPG for your mobile device, you might want to check out Angel Sword 3D RPG. This game offers amazing detailed graphics in full HD, a rich and immersive open world, a variety of features and options, and a thrilling story of angels and demons. In this article, we will review Angel Sword 3D RPG and tell you everything you need to know about this game, including how to download and install the APK file, what are the main features of the game, what are some tips and tricks to help you play better, and what are the pros and cons of this game. Let's get started!

## What is Angel Sword 3D RPG?

Angel Sword 3D RPG is a game developed by DVideo Arts Incorporated, a new developing team that also created Earth and Legend and Crusade Of Destiny. The game is a reimagining of one of their early iOS games, which was a top-down action-RPG with an 8-bit art style. The new game offers a fully 3D world, and seems to only share a story premise with the old version.

You play as an angel summoned by a good mage to stop an evil mage who has stolen the Angel Sword, a magical relic created by the gods to bring justice. To do that, you'll need to collect the three runes that seal the sword, which are guarded by powerful bosses. Along the way, you'll explore a vast open world, fight against various enemies, customize your character, own pets, collect weapons and items, solve puzzles, play songs on your harp, and more. You can also choose to play in single or multiplayer mode, where you can team up with a friend and experience co-op multiplayer, or PvP duel to the death.

## How to download and install Angel Sword 3D RPG APK?

If you want to play Angel Sword 3D RPG on your Android device, you'll need to download and install the APK file. The APK file is a package that contains all the files needed to run the game on your device. You can download the APK file from various sources online, such as [APKMirror](#) or [APKPure](#). However, be careful when downloading APK files from unknown sources, as they might contain malware or viruses that can harm your device.

To install the APK file on your device, you'll need to enable the option to install apps from unknown sources in your settings. This option might vary depending on your device model and Android version, but it is usually found under Security or Applications. Once you enable this option, you can tap on the downloaded APK file and follow the instructions to install it. You might also need to allow some permissions for the game to run properly.

Alternatively, you can also download and install Angel Sword 3D RPG from the official app stores for Android and iOS devices. The game is available on Google Play Store and App Store for \$6.99. However, you might need to pay extra for some in-app purchases that can enhance your gameplay experience.

## Features of Angel Sword 3D RPG

Angel Sword 3D RPG has many features that make it an enjoyable and immersive 3D RPG for your mobile device. Here are some of the main features of the game:

## **Single or multiplayer mode**

You can choose to play Angel Sword 3D RPG in single or multiplayer mode. In single mode, you can enjoy the game at your own pace, follow the main story, and explore the world. In multiplayer mode, you can join a friend online and play co-op multiplayer, where you can share items, chat, and help each other in combat. You can also challenge other players to PvP duels, where you can test your skills and earn rewards.

## **Open world exploration**

Angel Sword 3D RPG features a huge open world that you can explore freely. The world is divided into different regions, such as forests, deserts, mountains, caves, islands, and more. Each region has its own unique landscape, climate, wildlife, and secrets. You can interact with various objects and NPCs, collect resources and items, discover hidden locations and treasures, and encounter random events and enemies.

## **Character customization**

You can customize your character in Angel Sword 3D RPG according to your preferences. You can choose from four different races: human, elf, dwarf, and orc. Each race has its own strengths and weaknesses, as well as different appearance options. You can also change your hair style and color, skin tone, eye color, facial features, and clothing. You can also upgrade your attributes and skills as you level up, and choose from different classes: warrior, mage, archer, or rogue.

## **Pets and weapons**

You can own pets in Angel Sword 3D RPG that can accompany you on your adventure. Pets can help you in combat by attacking enemies or healing you. They can also carry items for you and provide bonuses to your stats. You can find pets in the wild or buy them from shops. You can also feed them, train them, and evolve them into stronger forms.

You can also collect various weapons in Angel Sword 3D RPG that can enhance your combat abilities. Weapons come in different types: swords, axes, hammers, daggers, bows, crossbows, staffs, wands, and more. Each weapon has its own damage, speed, range, and special effects. You can also upgrade your weapons with runes that can add elemental damage or other bonuses.

## **Side quests and bosses**

Besides the main story quest that involves finding the three runes and the Angel Sword, you can also complete side quests in Angel Sword 3D RPG that can give you extra rewards and challenges. Side quests are given by NPCs or found on notice boards. They can involve tasks such as fetching items, delivering messages, killing enemies, escorting people, solving puzzles, and more.

You can also face powerful bosses in Angel Sword 3D RPG that guard the runes or other important locations. Bosses are much stronger than regular enemies and have unique abilities and patterns. You'll need to use strategy and skills to defeat them. Some bosses are optional and require you to find them first.

## **Combat system**

Angel Sword 3D RPG has a real-time combat system that is easy to use but hard to master. You can control your character with a virtual joystick and buttons on the screen. You can move around freely,

attack with your weapon, cast spells, use items, and dodge or block enemy attacks. You can also switch between different weapons and spells during combat. You can also use your pet to assist you in combat. The combat system is dynamic and responsive, and requires you to pay attention to your surroundings and your enemies' behaviors.

## **Day and night cycle**

Angel Sword 3D RPG has a realistic day and night cycle that affects the game world. The time of day changes gradually as you play, and you can see the sun rise and set, the moon phases, and the stars. The day and night cycle also affects the lighting, shadows, and colors of the environment. Some events, enemies, and NPCs only appear at certain times of the day or night. You can also sleep in beds or tents to restore your health and mana, and to skip time.

## **Weather effects**

Angel Sword 3D RPG also has realistic weather effects that add to the immersion of the game. The weather changes randomly as you play, and you can see rain, snow, fog, wind, thunderstorms, and more. The weather effects also affect the sound, visibility, and physics of the game. Some weather conditions can also have an impact on your character's stats and abilities, such as cold or heat.

## **Economy system**

Angel Sword 3D RPG has an economy system that allows you to buy and sell items, weapons, pets, and more. You can find shops in towns and villages, where you can trade with merchants or other players. You can also find vendors in the wild, who sell rare or unique goods. You can use gold coins as the main currency in the game, which you can earn by completing quests, selling items, or finding treasure. You can also use gems as a premium currency, which you can buy with real money or earn by watching ads or completing offers.

## **Multiple language support**

Angel Sword 3D RPG supports multiple languages for the game interface and subtitles. You can choose from English, Spanish, French, German, Italian, Portuguese, Russian, Turkish, Chinese (Simplified), Chinese (Traditional), Japanese, Korean, Arabic, Hindi, Indonesian, Malay, Thai, Vietnamese, Filipino, Polish, and Romanian. You can change the language in the settings menu at any time. The game also has voice acting for some of the main characters and NPCs, which adds to the realism and emotion of the game.

## **Tips and tricks for Angel Sword 3D RPG**

Angel Sword 3D RPG is a fun and challenging game that requires skill and strategy to play well. Here are some tips and tricks that can help you improve your gameplay and enjoy the game more:

### **How to level up faster**

The best way to level up faster in Angel Sword 3D RPG is to complete quests, especially the main story quests, which give you more experience points than the side quests. You can also level up faster by killing enemies, especially the stronger ones, such as bosses or rare enemies. You can also use items or spells that boost your experience gain, such as the Experience Potion or the Experience Rune.

## **How to find the best equipment**

The best equipment in Angel Sword 3D RPG is usually found in chests, which are scattered throughout the world. Some chests are hidden or locked, and require you to find keys or solve puzzles to open them. You can also find the best equipment by defeating bosses or rare enemies, which drop rare or unique items. You can also buy or craft the best equipment from shops or vendors, using gold coins or gems.

## **How to solve puzzles and play songs**

Some quests or locations in Angel Sword 3D RPG involve solving puzzles or playing songs on your harp. To solve puzzles, you'll need to use your logic and observation skills, and sometimes interact with objects or NPCs. To play songs, you'll need to use your harp, which has four strings that correspond to four notes: C, D, E, and F. You can play songs by tapping on the strings in a certain order, following the clues or instructions given by NPCs or books. Playing songs can unlock secrets or activate mechanisms.

## **How to fly and swim**

You can fly and swim in Angel Sword 3D RPG using special items or spells. To fly, you'll need to use a Flying Potion or a Flying Rune, which give you temporary wings that allow you to soar in the sky. To swim, you'll need to use a Swimming Potion or a Swimming Rune, which give you temporary gills that allow you to breathe underwater. Flying and swimming can help you reach new areas or find hidden secrets.

## **How to co-op with friends**

You can co-op with friends in Angel Sword 3D RPG by using the multiplayer mode. To do that, you'll need to have an internet connection and a friend who also has the game installed on their device. You can invite your friend to join your game by sending them a code or scanning their QR code. You can also join your friend's game by entering their code or scanning their QR code. Once you are connected, you can chat with your friend, share items, and help each other in combat.
